DEMONSTRATION OF ELIGIBILITY

I/We:

Name of *Entrant*

Registration, or eligibility for registration, as an architect in Tasmania

Provide the following demonstration that I/we constitute an individual or a team including an individual who, or practice which, is registered, or eligible for registration as an architect, in Tasmania (insert registration details or similar information as required).

DEMONSTRATION OF ELIGIBILITY

Please complete the fields in this form, or attach your own response. Any attached pages are not to exceed the maximum page count for each question.

Statement demonstrating capacity to ensure leadership in and strong demonstrable commitment to resourcing the project with a significant proportion of female participation.

This statement of commitment is to consider ways through which a positive legacy can be delivered as a project outcome, and be one that represents the values of the Cascades Female Factory Historic Site (not to exceed 2 pages).

DEMONSTRATION OF ELIGIBILITY

Demonstration of financial and managerial capacity to deliver the project following award.

This demonstration is to include:

- a structural profile of the organisation, any parent or associated organisation and/or any major sub-contractor that would be involved in the *Project* if the applicant was successful in the *Competition*;
- financial statements (preferably audited if practicable) and other supporting evidence in respect of the last two financial years to demonstrate the applicant's financial status to undertake the *Project*;
- two references to demonstrate the applicant's ability and capacity to provide architectural services for the *Project*.

(statement should not exceed 1.5 pages, supporting financial information to be attached)
